To whom it may concern,

Over the past 11 years Larissa has worked with our Drama department, at Waiheke High School, to film all our Senior Drama productions and individual performances for NCEA and Scholarship examinations.

During this time Larissa has worked independently and in association with teachers to understand the requirements of the examiners. She has always shown professional expertise and sensitivity when dealing with the students. Larissa has been able to film, record and make edited copies of the Drama productions.

I would recommend her in this capacity to anyone who needed clear, consistent filming as she has done this for Waiheke High School to the highest level of satisfaction.
